Birth

Initial Hearing Screen

Place: _____

Date: ____ / ____ / ____

Results

Left Ear		Right Ear
☐	Pass	☐
☐	Fail	☐
☐	Missed	☐

Be sure your baby's doctor/ medical home sees all hearing screening results.

If your baby does not pass or misses the first hearing screening in one or both ears, schedule a hearing (re)screen at your local hospital.

Before 1 Month

Hearing Rescreen

Place: _____

Date: ____ / ____ / ____

Time: _____

Results

Left Ear		Right Ear
☐	Pass	☐
☐	Fail	☐

If your baby does not pass the rescreening in one or both ears, schedule an appointment with a pediatric audiologist right away!

Contact the Wyoming EHDI Program with any questions or to get help.

Wyoming Families for Hands & Voices is dedicated to supporting families with children who are deaf or hard of hearing. If you'd like to talk to a mom or dad who has a child with hearing loss, contact Kim (307-265-2074, kimr@wyhandsandvoices.org) or Wendy (307-780-6476, wendy@wyhandsandvoices.org).

Before 3 Months

Pediatric Audiologist

Name: _____

Date: ____ / ____ / ____

Time: _____

Results

Left Ear		Right Ear
☐	No Hearing Loss	☐
☐	Hearing Loss	☐

Be sure your pediatric audiologist has experience testing children under six months of age!

If your baby has a hearing loss, the next steps are:
☐ Contact the Wyoming EHDI Program;
☐ Tell your baby's doctor; and
☐ Contact your local child development center.

Before 6 Months

If your baby has a hearing loss:
☐ Enroll them in an early intervention program that has experience serving children with a hearing loss; and
☐ Regularly visit with your child's audiologist.

Evaluations to discuss with your baby's doctor/medical home:
☐ Ophthalmologist (eye specialist);
☐ Genetic specialist; and
☐ Other medical specialists.
